Dear Sirs:- RE G. I. ANDERSON

All that portion of the East Half of 27-45-17 West of the 4th which are not covered by the waters of a certain surveyed lake, containing 308 acres and excepting all coal to the C. P. R. was purchased by the above party from Frederick William Otton of Barrie, Ontario. This half section is totally clear of water at the present time and there is no lake thereon.

Mr. Anderson wished us to write you with regard to buying the extra 12 acres to make up the 320 in the above half section. Kindly advise us what procedure it is necessaryfor Mr. Anderson to take in order to do this and also whatever other information is necessary with regard to what price he is to pay and to whom we are to correspond in the matter.

By giving this matter your immediate attention you will greatly oblige us.

Yours truly,

Re part N. ½ 27-46-17-W.4th Meridian, formerly submerged, containing 12 acres, coloured pink on sketch.

Application has been made on behalf of Mr. C.I. Anderson to purchase the above area in connection with the patented land in the N.½ 27 which it is claimed he has purchased.

The patented land in the N.E. 27 was disposed of to the C. ... Company in 1901. The lake bed applied for is indicated on the final township plan dated 17th September, 1917, as "former bed of Lake D now hay land."

The following report is to hand from the Homestead Inspector in connection with this application:-

"This land is quite dry and has been "so for some years. It is a good hay "meadow and a fair price for it would be "$15.00 per acre."

I beg to recommend a sale to Mr. Anderson at the Homestead Inspector's valuation subject to his filing the usual evidence of ownership of the patented land in the N.E. 27.

We are informed by the Director of Lands, Department of Lands and Forests, Edmonton, that one William Nordts made application for a homestead entry on April 22nd, 1929, which entry was cancelled by number 2[illegible] and the land affected was the S.E.¼ of 19-80-5-W.6th M. Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 10th September, 1918.

The Committee of the Privy Council have had before them a Report, dated 20th August, 1918, from the Minister of the Interior, representing that under the provisions of section 6 of the Soldier Settlement Act, Chapter 129 of the Revised Statutes of Canada, 1927, the Minister of the Interior was empowered, at the request of the Soldier Settlement Board of Canada, to reserve, or, with the approval of the Governor in Council, to transfer to the said Board, any Dominion Lands under his administration;

That by Order in Council of the 30th October, 1918, P.C. 2659, further provision was made in the case of particularly valuable Dominion Lands becoming available for the purpose, that such lands be set apart for soldier settlement, to remain specially reserved for disposition later, as may be deemed proper with the approval of the Governor in Council;

That in pursuance of the foregoing, certain parcels of land, described in the annexed schedule, have from time to time been placed under the administration of the said Board, and have been disposed of under regulations framed by the Board and approved by the Order in Council of the 12th March, 1918, P.C. 443; and

That application has now been made for the issue of title thereto in the name of the Board;

The Minister, therefore, recommends that title to the lands described in the schedule attached hereto, comprising an area of 25,550.83 acres, be transferred to the Soldier Settlement Board of Canada in the right of the Dominion, subject to the usual reservations with regard to mines, minerals, water rights and springs.

The Committee concur in the foregoing recommendation and submit the same for approval.
